

Fluorescent Work Lights

Rugged lighting for heavy-duty applications

Ideal for repair, maintenance and general use.

Get bright, dependable, shadowless lighting with our best-selling, heavy-duty K&H Fluorescent Work Lights. Available with 8- to 34-watt lamps in a variety of styles, these fluorescent work lights provide safe, cool lighting and are designed to withstand years of heavy-duty use in rugged environments.

Our fluorescent hand-held work lights feature:

- Weather-resistant construction, impact-resistant lens, and high-visibility yellow rubber end caps and handle provide dependable operation in almost any environment.
- Shock-resistant design stands up to drops, falls and rough handling.
- Non-metallic construction eliminates risk of energized external parts.

For safety, dependability and value, turn to K&H Fluorescent Work Lights.
