

# **KH** Light Duty Cord Reels

## Light Duty Retractable Cord Reels Bring Affordable Power Where You Need It.

### 13-or 15-amp, 125V Light Duty Retractable Cord Reels

Versatile quick release mounting bracket allows K&H's light-duty retractable cord reel to be hand carried, mounted to ceiling, or mounted to wall - for both temporary or permanent power distribution.

Retractable cord pulls to length needed, locks in place and automatically retracts with a slight tug to the cord.
