

Pinpoint trouble with our powerful, rugged spotlights

Spot and flood lighting with up to 100,000 candlepower.

Turn night into day, or at least a part of it, with K&H Spotlights.

Heavy-duty, water-resistant construction and a variety of cord and lamp options make these spotlights a must for the car, shop, warehouse or production area.

Available in both 12-VDC and 120-VAC configurations, all our spotlights feature:

- Focused spotlight or broad floodlight coverage for application flexibility.
- High-impact lens to minimize the possibility of lamp breakage.
- Heavy-duty rubber hex head to prevent rolling.
- Fully insulated switch with no exposed metal parts for operator safety.
- Water-resistant construction suitable for damp or wet applications.

When your work puts you on the spot, turn to K&H Spotlights.
